**Business Update: Order Win for Supply of Special Steel Products**

**Subject: KDAIL Secures Maiden Order for Coast Guard Vessels**

Dear Valued Stakeholders,

We are thrilled to announce a momentous achievement for Krishna Defence and Allied Industries Limited (KDAIL) as we have secured our first order for the supply of Special Steel Products earmarked specifically for construction of Coast Guard Vessels. This landmark order, valued at Rs. 88.75 Crores, inclusive of taxes, marks a significant leap forward for KDAIL and reaffirms our unwavering dedication to pioneering solutions for diverse operational needs.

**Management Statement:**

In response to this milestone, the management team of KDAIL conveyed their enthusiasm, stating:

*"We are thrilled to kick off FY25 on a high note by securing our first-ever order for supply of special steel products for construction of Coast Guard Vessels, marking a significant milestone that showcases our commitment to innovation and adaptability. This order, valued at Rs. 88.75 Crores received from the Ministry of Defence. We stand firm in our resolve to deliver excellence and spearhead advancements in our domain. As we continue to fortify our production capabilities and introduce cutting-edge solutions, we are poised for sustained growth and enduring success."*

We extend our heartfelt gratitude to all stakeholders for their continued support and confidence in KDAIL as we embark on this exciting new chapter.

## **About Krishna Defence and Allied Industries Limited:**

Krishna Defence & Allied Industries Limited ("KDAIL") formerly known as Krishna Allied Industries Ltd. is among India's very few manufacturing houses with comprehensive in-house capabilities of designing, developing, and manufacturing a wide range of equipment for the Defence, Homeland Security & Dairy. Since KDAIL started in 1997, it has rapidly increased its production capabilities to a variety of products and customized components. The Defence Research and Development Organization ("DRDO") has awarded the company various Transfer of Technology ("TOT") agreements under the Defence sector for the production and supply of specialized defence application goods. Under its dairy vertical KDAIL manufactures and sells engineering products used in the Dairy Industry. The newest addition, the Homeland Security vertical, aims to create and trade in cutting-edge, versatile equipment for the military, coast guard, police, and forestry agencies that is used for inland security and border control. KDAIL has consistently espoused the idea of steady, organic growth for their company, in line with the national goal of achieving indigenous defence equipment manufacturing capabilities and self-sustainability in the years to come.
