**Business Update: Order Win for Supply of Special Steel Product**

Respected Sir/ Ma'am,

Krishna Defence and Allied Industries Limited (KDAIL) has bagged an order from Ministry of Defence for supply of Special Steel Product to be used for Naval Applications, worth Rs. 10.99 Cr inclusive of taxes executable over the next 6 months.

This order continues to build on KDAIL's exceptional manufacturing capabilities and the confidence its esteemed clients have in the company's ability to deliver critical and advanced products.

**Management Comments:**

**Commenting on the order win, the management team of KDAIL stated:**

*“We are pleased to inform our stakeholders that the acquisition of the order valued at Rs.10.99 crores signifies the ongoing trust of our clients. The said order is received from Ministry of Defence for the supply of Special Steel Product to be used for Naval Applications. Total order wins for the current financial year have been the highest ever for us at Rs.209.87 cr. As we expand our capacity for established products and introduce new products for key applications, our order book is set to keep growing along with our ability to execute more. Sustained influx of orders lays the groundwork for the company's enduring resilience and long-term success in the ever-evolving business landscape.”*

**About Krishna Defence and Allied Industries Limited:**

Krishna Defence & Allied Industries Limited (“KDAIL”) formerly known as Krishna Allied Industries Ltd. is among India's very few manufacturing houses with comprehensive in-house capabilities of designing, developing, and manufacturing a wide range of equipment for the Defence, Homeland Security & Dairy. Since KDAIL started in 1997, it has rapidly increased its production capabilities to a variety of products and customized components. The Defence Research and Development Organization (“DRDO”) has awarded the company various Transfer of Technology (“TOT”) agreements under the Defence sector for the production and supply of specialized defence application goods. Under its dairy vertical KDAIL manufactures and sells engineering products used in the Dairy Industry. The newest addition, the Homeland Security vertical, aims to create and trade in cutting-edge, versatile equipment for the military, coast guard, police, and forestry agencies that is used for inland security and border control. KDAIL has consistently espoused the idea of steady, organic growth for their company, in line with the national goal of achieving indigenous defence equipment manufacturing capabilities and self-sustainability in the years to come.
